

# Easy To Fall In Love

This Century

You Look  
Like The Afternoon  
When You Wake  
At Six In The Morning

Ready Right Then  
We're Kids Again

You Look  
Like A Sunny Day  
When I Look Outside  
And It's Storming

When You Look At Me  
And Blink So Slowly

Everything You Do  
Makes It Easy To Fall In Love  
With You Now, Now  
Don't Give Me The Run Around

With Everything You Do  
I Just Can't Seem To Get  
Over You Now, Now  
Don't Give Me The Run Around

I Love  
When She Writes For Me  
And She Doesn't  
Even Play The Piano

She Plays It So Good  
Better Than I Could

Our Love  
Gets Better Everyday  
With Every Touch And Sound  
That Your Voice Makes

How Do We Get Here  
It's Better Than Last Year

So Tell Me Now  
Tell Me How I Got  
So Lucky Me Dear

Everything You Do  
Makes It Easy To Fall In Love  
With You Now, Now  
Don't Give Me The Run Around

With Everything You Do  
I Just Can't Seem To Get  
Over You Now, Now  
Don't Give Me The Run Around

Don't Think Twice

Don't Ask Why

We Have Gotta Do  
These Crazy Things  
Sometimes

We'll Be Fine Just Realize  
That Everything's Alright  
We Are Out Of Our Minds

Everything You Do  
Makes It Easy To Fall In Love  
With You Now, Now  
Don't Give Me The Run Around

With Everything You Do  
I Just Can't Seem To Get  
Over You Now, Now  
Don't Give Me The Run Around

Everything You Do  
Makes It Easy To Fall In Love  
With You Now, Now  
Don't Give Me The Run Around

With Everything You Do  
I Just Can't Seem To Get  
Over You Now, Now  
Don't Give Me The Run Around

Don't Give Me The Run Around
