

# Sound Of Fire

This Century

I was seventeen  
And stupid  
She was pink and perfect

We were almost  
Make believe  
Innocent and nervous

And you became a drug  
(Hey)  
And I can't get enough

You are the sound of fire  
Burning up the night  
(Burning up the night)  
And I can't hold a beat  
To save my life

So I don't wanna dance alone  
I don't wanna dance alone

Into your arms  
When time was still  
And nothing mattered

You can take my heart  
And break it, and shake it  
Leave me forsaken  
And I just want it badder

And you became love  
(Hey)  
And I can't get enough

You are the sound of fire  
Burning up the night  
(Burning up the night)  
And I can't hold a beat  
To save my life

You are the sound of fire  
Keeping me alive  
(Keeping me alive)  
And I need you  
To need me to survive

And I don't want anybody else  
If I can have you to myself  
All to myself

I don't wanna dance alone

You are the sound of fire  
Burning up the night  
(Burning up the night)  
And I can't hold a beat  
To save my life

You are the sound of fire  
Keeping me alive  
(Keeping me alive)  
And I need you  
To need me to survive

(I don't wanna dance alone)  
I don't wanna dance alone

(Hey, hey)
