

# Keeping On Without You

This Providence

Darling, are you dreaming  
Are you dreaming of me now oh oh oh  
Whoa  
Screaming, are you screaming  
Cuz it's such a nightmare now oh oh oh

Oh there must be must be something else waiting for you  
Oh oh oh oh oh ohh  
There must be must be something else waiting for you  
Oh oh oh oh ohh

Oohh I, I can't keep on without you  
Oooh I, I can't keep on without you

Leaving, are you leaving  
Really need you here the most  
Oh oh oh oh oh  
I need you more than ever all I have is your holy ghost  
Oh oh oh oh oh

There must be must be something else waiting for you  
Oh oh oh oh oh ohh  
There must be must be something  
Else waiting for you  
Oh oh oh oh ohh

Oohh I, I can't keep on without you  
Oooh I, I can't keep on without you  
Whoaaa oh oh  
Without you  
Whoaa oh oh

You paint my broken heart like some awful piece of art.  
And I watch my world as it falls down around  
But still I pray you will come back some day

Whooo I, I will keep on without you  
Whooo I, I will keep on without you  
Whooo I, I will keep on without you  
Oh oh oh oh oh oh  
Without you  
Oh oh oh oh oh oh oh
