

## Sure As Hell

## This Providence

Condemn yourself  
With this nonsense  
And sure as hell  
I still love you  
And as long as there's a God in Heaven  
I will want you  
And as long as Hell is still burning  
I will want you back

I still want you back  
I still want you back  
I still want you back  
I still want you back
