

This Is An Airport Train

This Time Next Year

I let the bottle drop as it crashed to the floor
and these dozens of pieces of glass,
make it harder for me to pass,
1800 days that I spent by your side,
Now it's over,
You're gone and done with,
I'm over this kind of sickness

Don't wait for me to write you back,
don't wait, don't wait
Don't wait for me to write you back
I'm not coming back home

I'm not waiting for you
This time I won't be back again
I'm not waiting for you
"Keep your chin up, Life's not over yet"
(2x)

I let the record stop
with my eyes toward the floor
thinking "why should i deserve this?"
does anyone deserve this?

Don't wait for me to write you back,
don't wait, don't wait
Don't wait for me to write you back
I'm not coming back home

I'm not waiting for you
This time I won't be back again
I'm not waiting for you
"Keep your chin up, Life's not over yet"
(2x)
Life's not over yet!

And all those nights that I listened to you cry to me
were never really worth it
you were never really worth it

I'm not waiting for you
This time I won't be back again
I'm not waiting for you
"Keep your chin up, life's not over yet!"
(2x)
Life's not over yet!

I'm not waiting for you (I'm not waiting for you)
I'm not waiting for you (I'm not waiting for you)
I'm not waiting for you (I'm not waiting for you)
This time I won't be back again!
I'm not waiting for
"Keep your chin up, life's not over yet!"
