

Time to Think It Over

Thom Artway

I've never doubt bout your charm
But I've told you quite a few times
THAT I...
THAT I...

You swung the bell into motion
I gained your devotion
But I...
But I...

I was not outspoken
Now your heart is broken
Down...

I could save it
Only scrape your own heart
I could leave it
But I...
But I...
I'm better now

You told me that you loved me
Yesterday night
Now you're gone

I was not outspoken
Now your heart is broken
Down...

I could save it
Only scrape your own heart
I could leave it
But I...
But I...
I'm better now
