

# Cymbal Rush

Thom Yorke

Try to save it but it doesn't come off the rock  
Try to build a wall that is high enough

It's all boiling over a  
All boiling over

Try to save your house  
Try to save your songs  
Try to run  
But it follows you up a hill

It's all boiling over  
All boiling over  
Your little voice  
Your little voice

No more conversation  
No more conversation  
You should took me out when you had the chance  
You should took me out when you had the chance  
All the rooms were numbered  
And the losers turned away  
Don't turn away  
Don't turn away
