Impossible Knots

Thom Yorke

```
I'm heading in the wrong direction
I can't make the big connection
But in my line of business
There is no room for mess

All tied up in impossible knots
I'll take anything you got
I'll take anything you got

Now I'll be ready
Now I'll be ready
Now I'll be ready
Now I'll be ready
Now I'll be ready
Now I'll be ready
Now I'll be ready
Now I'll be ready
```
