

Truth Ray

Thom Yorke

Til the lows call and ease, a ray
And I've lost everything
And the dust's in your eyes
And in your hair
A rose-colored evil ray
Til the lows call and ease away
I won't let go, I won't let go
Don't let go, don't let go

Have you no mercy, no mercy?
What that now awakens me
And all of this is in my head
Oh my god, oh my god
All my life is sin, sin, sin

Til the lows call and ease, a ray
I won't let go, I won't let go
Don't let go, don't let go
Have you no mercy, no mercy?
My love slips away from me
With iron wings and iron will
Have you no mercy, no mercy?
What is now awakening?
Oh my god, oh my god
Oh my god, oh my god

A rose-colored evil ray
And I've lost everything
All my life is sin, sin, sin

And all of this is in my head
Til the lows call and ease, a ray
I won't let go, I won't let go
I won't let go, I won't let go.
