

A Little At A Time

Thomas Anders

A little at a time, we made love grow
We had our feelings, we let 'em show
We never dreamed that anything could go wrong
But it did
A little at a time, and day by day
Took love's foundation and just chipped away
So out of touch, we were too blind to see
How'd we let it happen?

You and I just watched a good love die
We just stood by and let it slip away
Now that we've lost the flame
We know we're both to blame
We're guilty of falling out of love
A little at a time

A little at a time, drifted apart
Forgot those feelings that once filled our hearts
We had it all until we threw it all away
Now it's too late to save it

You and I just watched a good love die
We just stood by and let it slip away
Now that we've lost the flame
We know we're both to blame
We're guilty of falling out of love
A little at a time
