

All Around The World

Thomas Anders

We had a quarrel and I let myself go
I said so many things, things she didn't know
And I was oh so bad
And I don't think she's coming back, mm mm

She gave the reason, the reason she should go
And she said so many things she never said before
And she was oh so mad
And I don't think she's coming back, coming back

I did too much lying, wasted too much time,
Now I'm here acrying, I, I, I

I've been around the world and I, I,
I can't find my baby,
I don't know where, I don't know why
Why she's gone away
And I don't know where she can be, my baby
But I'm gonna find her

So open hearted, she never did me wrong
I was the one, the weakest one of all
And now I'm oh oh so sad
And I don't think she's coming back, coming back

I did too much lying, wasted too much time,
Now I'm here acrying, I, I, I

I've been around the world and I, I,
I can't find my baby,
I don't know where, I don't know why
Why she's gone away
And I don't know where she can be, my baby
But I'm gonna find her

I did too much lying, wasted too much time,
Now I'm here acrying, I, I, I

I've been around the world and I, I,
I can't find my baby,
I don't know where, I don't know why
Why she's gone away
And I don't know where she can be, my baby
But I'm gonna find her

...Been around the world and I, I,
I can't find my baby,
I don't know where, I don't know why
Why she's gone away
And I don't know where she can be, my baby
But I'm gonna find her

But I'm gonna find her...
