

# Hit Or A Miss

Thomas Anders

I believe taht we can have fun  
Both alone won't hurt anyone  
You and me a fantasy bliss  
Love with a stranger,  
it's a hit or a miss

I'm no freak, just full of desire  
Come with me, cause I am on fire  
Hey I missed your name, was it Liz?  
Love with a stranger, it's a hit or miss

C'mon c'mon come on  
If only one night  
Gimme gimme gimme  
The love that I like  
C'mon c'mon come on  
The touch that I miss  
From the first kiss  
I know if you're a hit or a miss

Girl, I'm not head over heels  
Just a boy I want you to feel  
I need the thrill,  
your skin and your kiss  
Love with a stranger,  
it's a hit or a miss

C'mon c'mon come on  
If only one night  
Gimme gimme gimme  
The love that I like  
C'mon c'mon come on  
The touch that I miss  
From the first kiss  
I know if you're a hit or a miss

Wild girls make my fantasies real  
All or nothing wanna feel extreme  
Love with a stranger,  
it's a hit or a miss  
Can't resist, can't resist  
It's a hit or a miss

C'mon c'mon come on  
If only one night  
Gimme gimme gimme  
The love that I like  
C'mon c'mon come on  
The touch that I miss  
From the first kiss  
I know if you're a hit or a miss
