

# Living On The Edge

Thomas Anders

I have sailed a million oceans  
I have flown a hundred skies  
But I never saw a vision, come tonight  
(Tonight, tonight, tonight)  
I have dreamed a thousand moment  
I have failed a hundred more  
But I never heard a voice like this before  
(Before, before, before)

Now I'm on the edge of the world  
I have never known  
I'm living in danger of the world  
That I have never known before

I'm living on the edge of the world  
Where love is fooling me through the door  
As I fall through this world I can see  
That it's so like you now to love me

If you feel the end decision  
As you hold me with your smile  
It is my imagination running wild  
(Wild, wild, wild)  
It was always mine intention  
To find the only one  
But I never thought that love could be so strong  
(Strong, strong)

Living on the edge  
Living on the edge  
Living in danger  
Living on the edge  
Living on the edge  
Living in danger

Living on the edge  
Living in danger  
Living on the edge  
Living on the edge  
Living in danger  
Living on the edge
