

# Night and Day

Thomas Anders

Night and day you are the one  
Only you beneath the moon  
And under the sun  
Whether near to me or far  
It's no matter darling where you are  
I think of you night and day

Day and night oh why is it so  
That this longing for you  
Follows wherever I go  
In this roaring traffic's boom  
In the silence of my lonely room  
I think of you night and day

Night and day under the heart of me  
There're an oh such a hungry yearning  
Burning inside of me  
And it's a tornement  
Won't be through  
'Til you let me spent my life  
Making love to you

Day and night, night and day
