

Wicked Love

Thomas Anders

She's a goddess
Her burning flame is so relentless
Like Aphrodite and Cybele
I am lost inside her spell
I know I want her, yeah
Like a Madonna
That girls has made me a believer, yeah
Sh'e s got the beauty and the grace
The way she moves
The way she dance
You gotta see her, yeah

Nobody does it better
No one can ever understand
She makes me pull the trigger

I like the way you give me
(ha,ha,ha,ha,ha,ha)
Wicked love
(You gimme, you gimme)
I like the way you gimme
(ha,ha,ha,ha,ha,ha)
Wicked love
(You gimme, you gimme)
I like the way you gimme

Higher, you're taking me higher
Your lips are addictive
I'm playing with fire
I can't help but it's all I'm thinking of
Wicked love

She's so magnetic
She pulls me in, I can't resist it, no
The way the jeans hug her hips
Licking on her fingertips
I wanna kiss her, yeah
She's an enigma
She's got me wrapped around her finger, yeah
She's the fuel to the flame
I love the way she says my name
God, I adore her

Nobody does it better
No one can ever understand
She makes me pull the trigger
