## You Are My Life

**Thomas Anders** 

I'm hoping By the time you hear this words You'll have a change of heart Along the way I love you And it's no ordinary want I that sends me every time I hear your name I welcmoe every day As precious and brand-new No day will go to waste Sharing with you You are my life You're all I am I cant live without you You're the one, who understands You are my life You're all I am My life can be yours again I'm holding All the years we had up to the light The falling out we might affair just face Believe me That just one sentiment tonight, sentiment tonight, It's so much more than all fun mistakes Mmm, more... We can welcome every day As precious and brand-new N o day will go to waste Sharing with you
