

# She Blinded Me With Science

Thomas Dolby

It's poetry in motion  
She turned her tender eyes to me  
As deep as any ocean  
As sweet as any harmony  
Mmm - but she blinded me with science  
"She blinded me with science!"  
And failed me in biology

When I'm dancing close to her  
"Blinding me with science - science!"  
I can smell the chemicals  
"Blinding me with science - science!"  
"Science!"  
"Science!"

Mmm - but it's poetry in motion  
And when she turned her eyes to me  
As deep as any ocean  
As sweet as any harmony  
Mmm - but she blinded me with science  
And failed me in geometry

When she's dancing next to me  
"Blinding me with science - science!"  
"Science!"  
I can hear machinery  
"Blinding me with science - science!"  
"Science!"

It's poetry in motion  
And now she's making love to me  
The spheres're in commotion  
The elements in harmony  
She blinded me with science  
"She blinded me with science!"  
And hit me with technology

"Good heavens Miss Sakamoto - you're beautiful!"  
I -  
I don't believe it!  
There she goes again!  
She's tidied up, and I can't find anything!  
All my tubes and wires  
And careful notes  
And antiquated notions

But! - it's poetry in motion  
And when she turned her eyes to me  
As deep as any ocean  
As sweet as any harmony  
Mmm - but she blinded me with science  
"She blinded me with - with science!"  
She blinded me with -
