

# It Goes Like This

Thomas Rhett

Hey, girl, you make me wanna write a song  
Sit ya down and sing it to you all night long  
I've had a melody in my head  
Since you walked in here and knocked me dead  
Yeah, girl, you make me wanna write a song

And it goes like, oooh  
What I wouldn't do  
To write my name on your heart  
Get to wrapping my arms  
Baby, all around you

And it goes like, hey  
Girl, I'm blown away  
Yeah, it starts with a smile  
And it ends with an all night long, slow kiss  
Yeah, it goes like this

Hey, girl, you make me wanna drive you home  
Get you outta here and get you all alone  
I don't know what it is about you, baby  
But I'm all messed up, and it might sound crazy  
But you make me wanna write a song

And it goes like, oooh  
What I wouldn't do  
To write my name on your heart  
Get to wrapping my arms  
Baby, all around you

And it goes like, hey  
Girl, I'm blown away  
Yeah, it starts with a smile  
And it ends with an all night long, slow kiss  
Yeah, it goes like this

Looking at you looking at me that way  
Makes wanna grab my old guitar and play

Something like, oooh  
What I wouldn't do  
To write my name on your heart  
Get to wrapping my arms  
Baby, all around you

And it goes like, hey  
Girl, I'm blown away  
Yeah, it starts with a smile  
And it ends with an all night long, slow kiss  
Yeah, it goes like this

And it goes like, ooh  
And it goes like, hey  
And it ends with a kiss  
Yeah, it goes like this
