

# Tangled

Thomas Rhett

I'm tangled in your arms  
And in my head and in my bed again  
And wreckin' me in pieces on the floor  
I'm tangled in your smile  
You drive me wild for just a while  
I think that I'll keep you from walkin' out that door  
I, I wanna say  
I want more than what this is  
My lips are busy kissin' you  
So I'd just like to stay  
One more night in paradise  
It feels so right to me cause girl

I'm tangled up  
I can't ever get too much  
I'm tangled up  
Ah, baby what you do to me  
I'm tangled up  
You give me just enough of your love  
To keep me tangled up  
And I don't wanna be free  
Girl you got me tangled  
Girl you got me tangled  
Girl you got me tangled  
Up  
I'm in

I'm tangled in your sheets  
I can't compete, your sugar tastes so sweet  
I want it girl again and again  
I, I wanna say  
I want more than what this is  
My lips are busy kissin' you  
So I'd just like to stay  
One more night in paradise  
It feels so right to me cause girl

I'm tangled up  
I can't ever get too much  
I'm tangled up  
Ah, baby what you do to me  
I'm tangled up  
You give me just enough of your love  
To keep me tangled up  
And I don't wanna be free  
Tangled up, oh  
Tangled up, oh  
Up  
So I'd just like to stay  
One more night in paradise  
It feels so right to me girl  
Baby

I'm tangled up  
I can't ever get too much  
I'm tangled up  
Ah, baby what you do to me

I'm tangled up  
You give me just enough of your love  
To keep me tangled up  
And I don't wanna be free

Tangled up, oh  
Tangled up, oh  
Tangled up, oh  
(Girl you got me tangled, girl you got me tangled)  
Tangled up  
That's right I can't ever get too much  
I'm tangled up  
Tangled up  
That's right I can't ever get too much  
I'm tangled up
