

# Run

## Thompson Square

I'm gonna buy a boat and sail  
And I'm gonna grab the world by the tail  
And I'm gonna live and love and believe  
No matter what tomorrow brings

I'm gonna run as fast as I can  
Hold every little moment in the palm of my hand  
I'm gonna fly right into the sun  
Gravity can't stop me, I've already begun  
I'm gonna run, run, run

Love taught me how to cry  
But life taught me how to fight  
And time showed my eyes how to see  
And I'm not afraid 'cause now I'm free

I'm gonna run as fast as I can  
Hold every little moment in the palm of my hand  
I'm gonna fly right into the sun  
Gravity can't stop me, I've already begun  
I'm gonna run, run, run

When it feels like the world is crashing down  
Just keep your feet on the ground and run, run, run  
When you're broken, tired, hurt or scared  
Let the wind take you here and run, run, run

I'm gonna run as fast as I can  
Hold every little moment in the palm of my hand  
I'm gonna fly right into the sun  
Gravity can't stop me, I've already begun  
I'm gonna run, run, run  
I'm gonna run, run, run

I'm gonna run, run, run  
I'm gonna run, run, run
