

# King For A Day

Thompson Twins

I know you well  
And I can tell  
Something's on your mind

'Cos in your dreams  
The demon screams  
And I know he's gonna hurt you blind

You say you hunger for something you can't name at all  
And love is not enough anymore

If I was king for just one day  
I would give it all away  
I would give it all away to be with you  
If I was king for just one day  
I have just one thing to say  
You know that love is  
all we need to get us through

Dimond rings  
And all those things  
Tey never sparkle like your smile

And as for fame  
It's just a name  
that only satisfies you for a while

You say you hunger.....

If I was king for just one day.....

I've heard it said  
Or maybe read  
Only money makes the world go round

But all the gold  
Won't heal your soul  
If your world should tumble to the ground

You say you hunger....  
If I was king for just one day....
