

Lay Your Hands On Me

Thompson Twins

This old life seemed much too long
Little point in going on
I couldn't think of what to say
Words just vanished in the haze

I was feeling cold and tired
Yeah, kinda sad and uninspired
When it almost seemed too much
I see your face and sense the grace
And feel the magic in your touch

Oh, lay your hands
Lay your hands on me
Oh, lay your hands, ooh
Oh, lay your hands
Oh, lay your hands on me

Back and forth across the sea
I have chased so many dreams
I have never felt the grace
That I have felt in your embrace

Oh, I was tired and I was cold
Yeah, with a hunger in my soul
When it almost seemed too much
I see your face and sense the grace
And feel the magic of your touch

Oh, lay your hands
Oh, lay your hands on me
Oh, lay your hands, ooh
Oh, lay your hands
Oh, lay your hands on me, oh

Now, you made me feel so good
Yeah, like I never ever thought I would
You know you make me feel so strong
And now our laughter just goes on and on

So c'mon lay your hands on me
'Cause close to you is where I really wanna be
And if it ever gets too much
I see your face and sense the grace
And feel the magic in our touch

Oh, lay your hands
Lay your hands on me
Oh, lay your hands, ooh
Oh, lay your hands
Oh, lay your hands on me

Oh, lay your hands
Oh, oh, lay your hands on me
Oh, lay your hands
Lay your hands on me
Oh lay your hands, ooh

Oh, lay your hands
I wanna lay your hands on me
Oh, lay your hands
Oh, lay your hands on me
Oh, lay your hands
Oh, lay your hands on me
Oh lay your hands on me, ooh
Oh, lay your hands
