

# Love On Your Side

Thompson Twins

I hear you laughing in some other room  
And it makes me feel locked out  
You say my passion often stifles you  
And you need to move about  
But I was taught that boys need girls and girls need boys  
You say that's not true  
You'd rather fool around than be alone with me  
Well, that's alright for you

'cause you got love, love, love on your side  
'cause you got love, love, love on your side  
'cause you got love, love, love on your side  
'cause you got love, love, love on your side  
I've bought you sentimental roses  
But you gave them all away  
I've played you all my favorite records  
Then we spent the night in talking, talking all the time...  
You sent me home  
I was so surprised to find that after all  
It doesn't hurt to be alone

Well all the things you say make perfect sense to me  
Somehow I'm still unsure  
Then I catch myself going through the same old rhapsody  
RAP BOY RAP!

And I don't understand just what I'm doing to myself  
I guess that's nothing new  
'cause when you meet someone who doesn't follow all the rules  
It changes everything you do
