

# Runaway

Thompson Twins

Runaway  
So you say  
See you again  
Some other day  
Feels like I knew you so well  
But it's not that easy to tell

If I ever see you again  
Yeah, runaway  
Runaway

Could not stay  
Till our bodies turn to clay  
Feels like I knew you so well  
But it's not that easy to tell

If I ever see you again  
Yeah, runaway

Runaway  
So you say  
See you again  
Some other day

Hearing your voice in a dream  
Telling me things are not as they seem  
But will I every see you again,  
Yeah, Runaway
