

The Rowe

Thompson Twins

Come on, come on down the rowe
You'll believe exactly what your told
And you'll lay down, lay down in shade of trees
Yes, it'll happen to you just like it happened to me

Well I think using my mind
I look around for love but what do I find
I try to relax it's time for a rest
I just can't seem to get out of this mess

Oh, Oh, Oh, Oh, Oh
Down the rowe

In a birds' nest, I find an egg
Well I break it up and rub it all over my head
And I wonder should I do this or should I do that
And does it matter if this whole story is a matter of fact

Oh, Oh, Oh, Oh, Oh
Down the rowe

And as a consequence of this
Well I just remembered everything I miss
So come on, come on, come on, come on down the rowe
You'll believe exactly what your told

Oh, Oh, Oh, Oh, Oh, Oh, Ya,
Oh Oh Oh Oh, Ya, Ya Ya Ya
