

# You Killed The Clown

Thompson Twins

Draped in silk gown  
She danced around  
She filled this place with her smile  
She was the queen  
Of an Amazon dream  
She made us feel for a while

Was it from spite  
Or just sheer delight  
You stooped so low  
Now I wanna know  
Why you killed the clown  
Yeah, you shot her down

I watch you try  
Try to make that girl cry  
So you could be king for just one day  
And you said that her smile  
Was no more than a lie  
Just because she had something, something to say

Was it from spite  
Or just sheer delight  
You stooped so low  
Now I wanna know  
Why you killed the clown  
Yeah, you shot her down

Was it from spite  
Or just sheer delight  
You stooped so low  
Now I wanna know  
Why you killed the clown  
Yeah, you shot her down

Yeah, you, you killed the clown  
You laughed as she drowned  
And it was the only time I ever saw you smile  
Oh Precious and few  
Were the clowns we all knew  
And though they made us feel for a while

Was it from spite  
Or just sheer delight  
You stooped so low  
Now I wanna know  
Why you killed the clown  
Yeah, you shot her down

Oh, you shot her down.
