

Mama's Heart

Those Darlins

Don't break my mama's heart
Don't make my mama cry
When you break my mama's heart
You're also breakin' mine

My mama's a sweet one
You'd think she's meek and mild
You push her around
You treat her like a child
But if you don't give her everything she needs
You're gonna have to answer to me

Don't break my mama's heart
Don't make my mama cry
When you break my mama's heart
You're also breakin mine

My mama's got a heart
Made of solid steel
When her teardrops fall
Each one of them is real
She's strong as a mountain
She raised us children right
I don't wanna see her cryin' when I get home tonight

I don't wanna see her cry
I don't wanna see no tears in her eyes
There's nothing I won't do
To keep my mama from feelin' blue

Don't break my mama's heart
Don't make my mama cry
When you break my mama's heart
You're also breakin mine

Don't break my mama's heart
Don't make my mama cry
When you break my mama's heart
You're also breakin mine
