

Evil On My Mind

Those Poor Bastards

I've got evil on my mind
Got evil on my mind
Got evil on my mind
I've got evil on my mind
Evil on my mind
Evil on my mind

Yes

I got the devil inside of me
There's only one thing I can see
The only color I see is red
I wanna kill everybody
'Til there ain't nobody left

I've got evil on my mind
Got evil on my mind
Got evil on my mind
I've got evil on my mind
Evil on my mind
Evil on my mind

How did this demon grab hold of me?
What did I ever do?
I've got a serpent wrapped around
The altar of my brain
Don't take too much to drive me insane

I've got evil on my mind
Got evil on my mind
Got evil on my mind
I've got evil on my mind
Evil on my mind
Evil on my mind

Now I'm the Devil's right hand man
I'm the vengeful hammer of God
I'll flow forth a river unto thee like a flood
A river teeming with souls and blood

I've got evil on my mind
Got evil on my mind
Got evil on my mind
I've got evil on my mind
Evil on my mind
Evil on my mind
