

Glory Amen

Those Poor Bastards

Every time I sing I sing for the Lord
Glory, glory, glory amen
The Holy Ghost keeps this cold heart warm
Glory, glory, glory amen

Hallelujah, hallelujah
Hallelujah worthless fuckers, hallelujah

And everyone who lives lives in fear of the Lord
Glory, glory, glory amen
And anyone who don't ain't gonna live too long
Glory, glory, glory amen

Hallelujah, hallelujah
Hallelujah worthless fuckers, hallelujah

Yes I do believe in what I cannot see
I'm gonna go ahead and drown myself in glory
Yes I do believe in what I cannot see
I'm gonna go ahead and drown myself in glory

Don't go telling lies lie your eyes on the Lord
Glory, glory, glory amen
Tap your Sunday shoes to these gospel haunted blues
Glory, glory, glory amen

Hallelujah, hallelujah
Hallelujah worthless fuckers, hallelujah

Lord I do confess there's evil thoughts within my breast
Glory, glory, glory amen
But I won't lose to sin like my wicked brother did
Glory, glory, glory amen

Hallelujah, hallelujah
Hallelujah worthless fuckers, hallelujah

Yes I do believe in what I cannot see
I'm gonna go ahead and drown myself in glory
Yes I do believe in what I cannot see
I'm gonna go ahead and drown myself in glory

Yes we do believe in what we cannot see
We're gonna go ahead and drown ourselves in glory
Glory amen
