

Mess Around

Those Poor Bastards

I wanna mess around gal
I wanna mess around
I wanna mess around gal
I wanna mess around

I like it when you pray gal
I like it when you pray
I like it when you pray gal
I like it when you pray

Don't waste my time
Don't waste my time
'Cause I wanna mess around

Stuck in this ugly town gal
We're stuck in this ugly town
Stuck in this ugly town gal
Stuck in this ugly town

Ain't it just like Hell gal?
Ain't it just like Hell?
Ain't it just like Hell gal?
Ain't this just like Hell?

Don't waste my time
Don't waste my time
'Cause I wanna mess around

We never have any fun gal
We never have any fun
We never have any fun gal
We never have any fun

Don't it feel good to cry gal,
To fill your heart with blood?
Don't it feel good to cry gal,
To fill your heart with blood?

Don't waste my time
Don't waste my time
'Cause I wanna mess around
