

## Pills I Took

### Those Poor Bastards

I've been awake for 8 days straight  
Must've been them pills I took  
I've been twistin' and turnin' and seein' visions  
Must've been them pills I took

Hey I don't know what they were I don't know where I got 'em, but they sure make me feel good, that's all I ask for

There's blood on the carpet and holes in the walls  
Must've been them pills I took  
The beers are all busted, I hear someone cryin'  
Must've been them pills I took

I still don't know what they were I don't know where I got 'em,  
but they sure make me feel good  
They kept my heart from feelin' blue  
They kept my thoughts away from you  
That's all I ask for

Now I aint no bad man, but I done some bad things  
Must've been them pills I took  
I buy them, I sold it, I aint fuckin' joking  
Must've been them pills I took

I'll never know what they were I'll never know where I got 'em,  
but they sure make me feel good  
They kept my heart from feelin' blue  
They kept my thoughts away from you  
And that's all I ask for (It is, I swear)
