

Stay Away From The Forest Boy

Those Poor Bastards

Well, Jesus come on back boy,
Jesus come on back
Jesus come on back boy,
Jesus come on back

If the devil comes a-huntin' son,
don't turn your back
The devil come a-huntin' son,
don't turn your back

'Cause he'll put your name on his contract
he'll put your name on his contract
he'll put your name on his contract
That's why
that's why, boy
that's why
that's why, boy

Jesus come on back boy,
Jesus come on back
Jesus come on back boy,
Jesus come on back

If you hear him weeping in the forest boy,
he won't belong
If you hear a-weeping in the forest boy,
he won't belong

And he'll put your name on his contract
he'll put your name on his contract
he'll put your name on his contract
that's why
that's why, boy
that's why
that's why, boy

Jesus come on back boy,
Jesus come on back.
Jesus come on back boy,
Jesus come on back

You've got to stay away from the forrest boy
stay away from the forest boy

Stay away from the forest boy,
stay away from the forest boy
Stay away from the forest boy,
stay away from the forest boy
