

Swallowed By Sin

Those Poor Bastards

I have been swallowed by sin
I have been swallowed by sin
Druggin and hatin and walkin with Satan
I have been swallowed by sin
You're all gonna burn in the fire
You're all gonna burn in the fire
All you Jezebels who have marooned my health
You're all gonna burn in the fire
And evil souls wait for you
Evil souls, they wait
To take you by the hand and lead you to the grave
Your soul is smaller than dust
Your soul, it is smaller than dust
It might blow away or get lost in the rain
Your soul, it is smaller than dust
It is not forgiveness I seek
It is not forgiveness I seek
There are things I've seen, no man could dream
It is not forgiveness I seek
And evil souls they wait for you
Evil souls, they wait
To take you by the hand and lead you to the grave
Don't bother prayin for me
Don't bother prayin for me
Just push me down and kick me around
Don't bother prayin for me
That's right
'Cause I have been swallowed by sin
I have been swallowed by sin
Druggin and hatin and walkin with Satan
I have been swallowed by sin
And evil souls wait for you
Evil souls, they wait
To take you by the hand, my dear
And lead you to your grave
And evil souls, they wait for me
Evil souls, they wait
To take me by the hand, my dear
And lead me to my grave
