

Where She Been

Those Poor Bastards

Gotta find my baby
'fore the day is through, Lord
goin' down to the old shed
where she used to hide, Lord

Oh,
where she been,
where's my baby been?
Oh Lord,
where she been,
where she been?
It's gettin' way past supper time
and my baby still ain't here

Gotta find my baby
'fore the day is through, Lord
goin' down to the old shed
where she used to hide, Lord

Oh,
where she been,
where's my baby been?
Oh Lord,
where she been,
where she been?
It's gettin' way past supper time
and my baby still ain't here
