

Death Sentence

Those Who Fear

We're all going to die
This life is terminal
We're all going to die
Born into a death sentence
I'm dead to this life
I'm dead to this world
I'm dead to all I've ever been
I'm dead to these lies
I'm dead to this sin
I've found new life you'll never win
You're all afraid to die but why
I'm more afraid to live
We survive in Him
We're all going to die
This life is terminal
We're all going to die
Born into a death sentence
