

Eyes Of Eternity

Those Who Fear

I see through the eyes of eternity
There's so much more to our reality
This world is nothing but temporary
There's so much more to this life than what there seems
There's so much more than our twisted reality
Now I see clearly
I see through the eyes of eternity
I see beyond this world
Through we're perishing day by day
I see more than this world has given to me
For I have hope in the unseen
Because everything else will pass away
This is the passion away
We take so much for granted
When all we see is what is in front of us
There's so much more to this life
There's much more to this world than what we can see
Through we're perishing day by day
I see more than this world has given to me
For I have hope in the unseen
Because everything else will pass away
Now I can see beyond this world
