

# Crowning The Winged Skull (Enthroning The Dragon)

Thou Art Lord

Rex Grandis Mundanus Spiritus Impius est

Mistress of the depths  
I call you forth  
Behold the symbol  
Of your mighty power  
Open the mirrored gate  
And give life to the skull  
Fashioned by my Art  
Hear the Elder names  
That may not be spoken  
Issue from the jaws  
Of a vampire  
See the form of your place

Rex Grandis Mundanus Spiritus Impius est (2x)

Amongst the stars  
Stretch out your beeing  
Accept the sacrifice  
Lend power to this shell  
And bring the Dragon forth  
Let me pass unharmed  
Through the realms of your kingdom  
Drain me out and fill me up  
Assist me in my time of need

Connect me to the silver thread  
Which penetrates the Cosmos  
Be one with me  
As I am of you  
Of Those Who Have Risen  
Serpent - Dragon - Tiamat

Mistress of the depths  
I call you forth  
Behold the symbol  
Of your mighty power  
Open the mirrored gate  
And give life to the skull  
Fashioned by my Art  
Hear the Elder names  
That may not be spoken  
Issue from the jaws  
Of a vampire  
See the form of your place  
Amongst the stars  
Stretch out your beeing  
Accept the sacrifice  
Lend power to this shell
