

The Shadow Doctrine

Thou Art Lord

The One is the Flame of Life
The Many are the sparks in the Flame
The Fire is One and All
Divided into Nine
The unity of One
Becomes diversity
Yet the Many remain One
Into the pool of Lifeforce

Watching the Nine worlds
Through the Eye of the Dragon
And the God awakens
Into manifestation
Unwrapped from His sleep
Of the Cosmic Chaos
Through Silver Threads He speaks
Transforming the Ones who Rise

The One is the Flame of Life
The Many are the sparks in the Flame
The Fire is One and All
Divided into Nine
The unity of One
Becomes diversity
Yet the Many remain One
Into the pool of Lifeforce

Infinite, changeless the Inner Most Self
Ever-changing, the Dragon Self
Infinite, changeless the Inner Most Self
Ever-changing, the Dragon Self
