

Give It to Me

Thousand Foot Krutch

I've never felt like I belonged,
I've never fit in any place, been alone, until now,
Been carryin' a weight that's not my own,
This levee's gonna break, and I'm not sure I can hold on

I'm not sure, how long, I can,
Hold off this storm,
There's a, dark cloud, right over, head

Give it to me,
Just give it to me,
I'll take it all away,
Just give it to me

I was taught I should stand up and be strong,
Turns out it was a truth I could've sent home,
Until now,
I was raised with a shotgun in my hand,
I'm not afraid of of anything,
But the dark, without you (until now?)

I'm not sure, how long, I can,
Hold off this storm,
There's a, dark cloud, right over, head

Give it to me,
Just give it to me,
I'll take it all away,
Just give it to me
