

Oxygen

Thousand Foot Krutch

Just like the wind you blew right
Through me tonight
It makes me wonder how I've missed you before
Hiding in plain sight

Cause like a knife you cut me open
I feel in love for the first time in my life
You're the oxygen that lights my fire inside

You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it
You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it

You're my oxygen (my oxygen)
You're my oxygen yeah yeaaaah

Felt like a wave when you washed over me tonight
All my life I've been a statue until
Your refined in fire

Cause like a knife you cut me open
I feel in love for the first time in my life
You're the oxygen that lights my fire inside

You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it
You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it

You're my oxygen (my oxygen)
You're my oxygen yeah yeaaaah

You're my oxygen (my oxygen)
You're my oxygen yeah yeaaaah

You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it
You are my oxygen tonight, you keep me breathing
You fill me up, you give me life and I can't believe it
