

Impaled by the thorn
Mechanical
Inane it's your sacrifice
Rational thought evaded by
False concept
Collapse and paralyze
Paralyze

I am turning the inside out
For the rest of duration
I am turning the inside out
For the rest of duration

Penetrate to feel on the inside
Grip of lust or love
I can't decide
Tears thicken
Self-control override
Repressed
Release is dignified
Dignified

I am turning the inside out
For the rest of duration
I am turning the inside out
For the rest of duration

Fallen down to my knees
Bleeding violently over me
Silenced by words of hate
Laying motionless
Walking toward the light
