

Resistance

Threat Signal

Your mind is controlled
Accept what you see, believe what your told
Free space! Free choice! Find a reason to use your voice!

Acknowledge the guilty, they plan to run the world
Absolute power corrupts, absolutely!

I WILL NOT CONFORM!

We're terrified to know the answers
We're all convinced to think that we all know what this life holds

I RESIST!

You walk into lies, the world as we know it destroyed inside
Resist, fight back! We must reclaim the faith we hide!

Acknowledge the wealthy, they plan to ruin the world
Absolute power corrupts, absolutely

I WILL NOT CONFORM!

We're terrified to know the answers
We're all convinced to think that we all know what this life holds

I RESIST!

We must speak the truth of the world
There's more than life than what we're told
Free space! Free choice! Find a reason to use your voice!

I WILL NOT CONFORM!

We're terrified to know the answers
We're all convinced to think that we all know what this life holds
