

Back Against Da Wall

Three 6 Mafia

I rap hard like them dicks in porno flicks
Like them brothas in them movies I have bout 30 chicks
And when my glock cliks half second and then I blast ya
From the dirty south small town called alabaster
I run fasta than a fuckin wild cat
What you thought dogg, its project pat blazin track
Tote a gat
Wit niggas from a town
Grimmy motha fuckas that'll lay in the ground
What's that sound, its a 32 glock
I shoot these niggas that try to slang on my block.....
