

## Now I'm High, Really High

### Three 6 Mafia

Triple six triple six triple six smoked out (layed back)  
now i'm high really high mane i'm about to shout

The end is creating illusions  
The substance infesting my brain cell is causing confusion  
I picture teflon in slow motion  
It's piercin threw flesh  
And continue to cruisin  
Wait think straight  
Don't hate haste penetrate  
Face ace safe place base damn i think i'm crazed  
Terrors the error no errors  
Within my terrors  
Are you scared of thr six  
Double S'six demonically elegant elements  
A manic depressive aggressiveness stress me bitch  
And you will feel the strength of my weapons kick  
Tric-kory hic-kory  
Dickory dock i smoke top notch bud crop drop  
The D the O the P the E  
I need the B the L the UNT  
Because that green power flower got much luv  
I tell you don't fuck with the triple six mane  
Cuz you know that we on dem drugs  
Damn i'm going off with the blunt  
Outer space rock lord infamous  
I keep clouds of smoke flyin out my moutttttttttttttttttttttth  
Soon i'll have the rest
