

# Watcha Do

Three 6 Mafia

Ah yeah, these hoes always talkin' bout' all the shit they got (??)

Dkny

And i'ma tell you what they do to get it, bitch

Watcha do, watcha do

Bitch don't play dumb

Stick out your tongue

And let me take a plunge

For plenty you don't have to suck your thumb

I got yum-yum

At night you have nice dreams

Bout' spices and ice cream

You look kind of fiesty

Your lips they entice me

Don't fight it, don't try to front like you don't like it

I can tell you get excited

I'm gon' spank it

Put your head up under the blanket

It's the tightest

A mafia, so play it to the triple 6 to the tre'

Until tonight lord infamous is on the entree

You niggas be killin' me

Say you'll never do me

But still you do it

Every time i turn around

You punk is in the booty

Is it hard to pick em' out

Hell na

I'm on the top of that

All real hoes know a nigga that lick on the cat

That's a fact

Niggas be one of the main ones doin' it

Come and eat a little punk ass nigga

Fuck screwin' it

Little peter pipter

These playas for the pussy eaters

Got you rock hard

After my nut you's a dick beater

Slob on my knob

Lke corn on the cob

Check in with me

And do your job

Lay on the bed

And give me head

Don't have to ask

Don't have to beg

Juicy is my name

Sex is my game

Let's call the boys

Let's run a train

First find a mate

Second find a place

Third find a bag

To hide the hoe face
