So high, so high
This bud is got me high
So high, so high

Mesmorized by the motherfuckin'
Ya'll niggas odn't get high
Like the dirty three 6 mafia
We smokers there to chain
Give a shot
Of that cocaine to the brain

To a motherfuckin' that especially
Don't hear me
But i can keep a smile on my drugs
And you cheap ass thugs
You hoes don't feel me

Watcha got down in your trunk

Nothin' but leaves and bags of weed
Somethin' to keep you off your feet
Make you crawl around on knees
If you slang a
Then grab a pound
If you a smoker
Fool don't get wild
Are you fucked up
So what
What's up
Sip on some beer and black and mild

All i smell like smoke
Yeah that motherfuckin' green
Yeah that god damn dope

When you see me
I'm gon' roll you some
But ain't gon' foll none

I'm smokin' on some blunts
Bigger than some of you rappers royalty checks
Never been mistaken

Quick to get up in your shit
Freaky when i'm high
That's the plan
Now understand my nig
Fuckin' move your man
Cause his ass wanna get with this

Out of the scarecrow
The substance i obtain
Dibe got get me feelin' strange
And crazy

I'm smokin' on this doja
Got me stumblin' and feelin' lazy
I'm staring at some shit

Got plenty of drugs left
And then you know
I'm stayin' blunted

Stayin' numb
Shit faced
Chee-cheef hit them killas
The swishers
Nigga wit that deep pull
So deep that i cannot remember
And if you really wanna get with the
Three 6 mafia
