

Break

Three Days Grace

Tonight my head is spinning
I need something to pick me up
I've tried but nothing is working
I won't stop, I won't say I've had enough

Tonight I start the fire
Tonight I break away

Break away from everybody
Break away from everything
If you can't stand the way this place is
Take yourself to higher places

At night I feel like a vampire
It's not right but I just can't give it up
I'll try to get myself higher
Let's go, we're going to light it up

Tonight we start the fire
Tonight we break away

Break away from everybody
Break away from everything
If you can't stand the way this place is
Take yourself to higher places

If you can't stand the way this place is
Take yourself to higher places

Break away from everybody
Break away from everything
If you can't stand the way this place is
Take yourself to higher places

Higher places
To higher places
Higher places
Take yourself to higher places
