I Am Machine

Three Days Grace

Here's to being human All the pain and suffering There's beauty in the bleeding At least you feel something I wish I knew what it was like To care enough to carry on I wish I knew what it was like To find a place where I belong, but I am machine I never sleep I keep my eyes wide open I am machine A part of me Wishes I could just feel something I am machine I never sleep Until I fix what's broken I am machine A part of me Wishes I could just feel something Here's to being human Taking it for granted The highs and lows of living To getting second chances I wish I knew what it was like To care about what's right or wrong I wish someone could help me find Find a place where I belong, but I am machine I never sleep I keep my eyes wide open I am machine A part of me Wishes I could just feel something I am machine I never sleep Until I fix what's broken I am machine A part of me Wishes I could just feel something It wasn't supposed to be this way We were meant to feel the pain I don't like what I am becoming Wish I could just feel something I am machine I never sleep I keep my eyes wide open I am machine A part of me Wishes I could just feel something

I am machine I never sleep Until I fix what's broken I am machine A part of me Wishes I could just feel something
