

No More

Three Days Grace

Give me reason to stay here
Cause I don't live in fear
(Don't live in fear)

I can't stop the rain
But I can stop the tears
Oh, I can't fight the fire
But I can fight the fear

No more
I just can't live in fear
No more
I can't take it
Can't take it
No more
What do we stand for
When we all live in fear?

Give me reason to believe
Cause you don't seem to believe

I can't stop the rain
But I can stop the tears
Oh, I can't fight the fire
But I can fight the fear

No more
I just can't live in fear
No more
I can't take it
Can't take it
No more
What do we stand for
When we all live in fear?

No more
I just can't live in fear
No more
I can't take it
Can't it no more
What do we stand for
When we all live in fear?
