

## Now or Never

### Three Days Grace

In this time are we loving  
Or do we sit here wondering  
Why this world isn't turning round  
It's now or never

We have no use  
For the truth  
And now's the time for us to lose  
Who we are and how we've tried  
Taking every step in stride  
It now or never to decide

In this time are we loving  
Or do we sit here wondering  
Why this world isn't turning round  
It's now or never

In this way are we learning  
Or do we sit here yearning  
For this world to stop turning round  
It's now or never

Where's the truth  
For us to use  
Cause all we seem to do is lose  
Who we are and how we've tried  
Are we all the same inside  
It's now or never to decide

In this time are we loving  
Or do we sit here wondering  
Why this world isn't turning round  
It's now or never

In this way are we learning  
Or do we sit here yearning  
For this world to stop turning round  
It's now or never

In this time are we loving  
Or do we sit here wondering  
Why this world isn't turning round  
It's now or never

In this time are we loving  
Or do we sit here wondering  
Why this world isn't turning round  
It's now or never

In this way are we learning  
Or do we sit here yearning  
For this world to stop turning round  
It's now or never

In this time are we loving,  
Wondering  
Isn't turning round

It's now or never
